## ***Ohio Association of Foodbanks Awarded \$2 Million Federal Navigator Grant to Continue Helping Ohioans Learn About and Enroll in Affordable Health Care Coverage***

### **Media Statement from Lisa Hamler-Fugitt, executive director for the Ohio Association of Foodbanks:**

“For the third consecutive year, the Ohio Association of Foodbanks and its network of strategic consortium members was awarded a federal Navigator grant by the Centers for Medicare and Medicaid Services (CMS). This \$2 million grant will allow us to provide Navigator services throughout Ohio, educating consumers about affordable health care coverage options and helping them to enroll in plans available through the federally-facilitated Health Insurance Marketplace.

“Since we began operating the largest Navigator program in Ohio in 2013, our trained navigators have helped more than 21,000 Ohioans enroll in Medicaid coverage or in a Qualified Health Plan through the Marketplace. Our consortium has participated in nearly 4,000 outreach and enrollment events in all 88 counties in Ohio. We look forward to building on this momentum in the coming year to ensure that Ohioans can make informed, appropriate decisions about their health insurance options and health care needs.

“Our project will once again be carried out in partnership with a consortium of regional and local organizations, knowledgeable about the specific needs of the uninsured and underinsured Ohioans in their geographic service areas. We are committed to providing informative and accessible services to make the process of selecting and enrolling in health care coverage a positive one.

“On behalf of our statewide consortium, we thank CMS for their continued partnership and leadership. We are excited to continue this important outreach in the great state of Ohio when open enrollment for 2016 plans begins November 1.”

Consumers looking for more information or to setup an appointment for the upcoming open enrollment period should call 1-800-648-1176 or visit [www.areyoucoveredohio.org](http://www.areyoucoveredohio.org).
